Sirius Instrumentation and Controls, Inc.

1006 W. County Rd. 114,
Midland, TX 79706, USA

Attention: Eric Davidson – Account Manager

Sirius has become a trusted partner in our chemical injection operations. From support in the initial design of facilities to assisting in the field repair and troubleshoot, we've gained a strong partner in our chemical management team. With the Connect system, we've been able to increase our control and optimization of our program as well, and we look forward to continuing to take it to the next level.
